

Lovely dress that suits you ...?

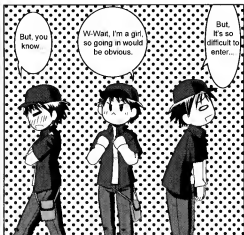

Alright,
today I'll
definitely
go in.

Here I can
get cute and
fashionable
clothes that
will make
me popular
with guys.

lovely dress that suits you ... ?

I really get mistaken for a boy often. I guess a girly appearance would be...

Hey, you wanna get some tea or something?

I'm sorry, I can't.

Haa, Haa, If I've gone this far I should be fine right?

He thought you were a guy. Don't you think that was rude of him?

Are you okay Yukiho? That was pretty close wasn't it.

Thank goodness you were here

Tsk, she's already got a guy.

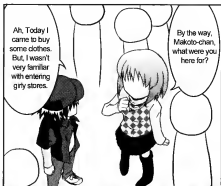

That's not true However you dress, you're still a girl!

Yeah, probably because I'm dressed like a guy today. Oh well...

A-Although, thanks to that we managed to get out of there safely. I guess this time I'm glad I look like a guy

Let's go
nano!
You too,
Yukiho.

Eeh?!

I wanna
choose
some
clothes for
Makoto-kun,
too.

Ah, today
was a great
day I got a
lot of clothes
too.

I bet
you'll
surprise
everyone

Tomorrow
come to
the office
wearing
one of
them.

The ones
Mika chose,
of course.

I wonder
what kind
of clothes
Makoto-chan
will wear?

The
next
day

と~~~~ん

How is it? I tried
arranging some of
the clothes we
bought yesterday.

Good
morning, you
two.

..What?

Don't tell
me, you
have zero
fashion
sense,
Makoto-kun

Makoto-
chan

Makoto-
kun...

L: Let's leave it at that. Now, let's talk about what just happened.

"I was drawing a YukiMako manga, but suddenly it became a MikiMako manga."

M: I have no idea what I'm saying, but I don't know what happened.

Something must've been wrong with my head...

It definitely was not going to be something trashy like a MakoMako manga or a battle Iro manga.

It was a glimpse of something more fearful.

I'd be overjoyed! If I were to put it into words right now, it would be, "MakotoMakorin." Lately, I've noticed the DLC has been here and there. I have taken looks at places around Makoto's skirt (of course, all of the costumes kill me.) Plain clothes skirt design doesn't exist though. I want to see her in that skirt! If I can't see it, I'll die! Answering to my libido, I can't sleep at night, so I take an afternoon nap and I dream about being Makoto's father and letting go of my eyes of impartiality because of your plain, yet cute, clothes. It's about time, it's about time, I want to see the plain clothes, skirt wearing Makoto! I beg of you, please do something about this! I would click through 50,000 gates to accomplish this, by all means, please let Makoto wear cute clothing. I pray that it would be right around the corner from an event. Makoto's cuteness is so transcendent that I would jump into a white hole...

Ah, well, how should I say it, Makoto's cuteness is unusual. Smiling Makoto, a angry Makoto, troubled Makoto, Makoto stuffing her cheeks with tasty-looking yakiniku, the Makoto who only has cute underwear with her, Makoto thinking about using emotions in a text, Makoto's cute sneezes, Makoto dancing her heart out on stage, Makoto running around without thinking of the consequences until the end and looking slightly idiotic, of course, I will not forget about the Pence Makoto. The manly Makoto that makes all the girls of the world want to commit a sin. "If the true woman Makoto smiled would it cause a world war?" is what I think about. Makoto is always cute and yet from heaven comes fabulously cute costume DLC that have caused an countable deaths. Ah, cute, you're truly cute, Makoto. "Even though I'm bad at painting, for Makoto's sake I keep practicing" is what I think. The joy of letting you wear your favorite clothing. To let you paint a painting however you felt like it.

By the way,  
these are the  
clothes that  
Miko picked  
out, nano!

ooooooooo!

最後まで、この本を読んでいたくださる方がどうも良かったです。  
現在、締め切り当日の午前2時です。明日普通に発社あります。わーい！

今回は、前回の本から引き続きのゆきまこ本、真と私Dとの諸将漫画を描かせていただきました。

ゆきまこ漫画の方は、全ページのホルンズくんでも書いていました通

ゆきまこのはずがかなりゆきまこな漫画になってしまいました。

まあ、個人的には全然問題ないんですが、ゆきまこを愛用みこして下さる方には申し訳ありませんでした。

今後もゆきまこ本は書いていこうと思っております。ゆきまこを中心としたワイワイやうて漫画を描けるなど思ってもお金のところやうて他のキャラクターなどいかに描けるか考えています。

ちなみにゆきまこ本はDとDの中心では修繕していきません(笑)

美奈はただ単に意味でDの修繕の意味で、真は修繕の意味です。
